MORE GRUNBLING. was Gen. STONE or Col. BAKER, the Evansville.

a mutual admiration society. No matter how a great army-glaring the faults of subordinates, the comthrow a body of troops across a river, in the face of a largely superior force of the enony without affording any means whatever, for a safe retreat. deserves to be cashiered, and this is the plain truth of the matter, however Gen. McClellan great cities of Missouri, Kentucky of Ohlo, must

If Gon. Stone had been a traiter, and conducting that movement for the purpose of delivering our army up to the enemy, he could not have seen all Arkansas and Missouri to help, take or whip might have stood his blunders or his treachery.

Another Estimate—An officer is the Unit incurred in behalf of that great and sacred might have stood his ominiers or insureaction, nobly, for we are gotting used to such things, but to have him complimented by McClellan for his conduct, is the last feather which tradition says broke the camel's back. The people unterstand the matter, in spite of the mists thrown about the affair by the reports of officers. The battle of Ball's Bluff was a disgraceful defeat, rought about by an incompetent and reckless

Jim Lane's Outrages at Occola, Mo. We find in the Missouri correspondence of the Cincinnati Commercial, a letter from Oceola, Mo., dated the 5th, written on the arrival of place. Lane's brigands had preceded them-with to write again for some time. what result will be seen from the following ex-

We broke the side dam of the Osage, crossed our train his safety, and now occupy the hero-after classic town of Ocsola. The town is beau-The forest has been left to grow in its natural beauty, and the houses act down among the trees in a way to make it very pictures que and comfortable. But how has all its glory and beauty departed. The renewal Gen. Jim Lanc, about four weeks ago, was passing through here, when the citizens hid among the bushes, saw fit to open fire upon his men; he immediately turned his cannon upon them and the town, and knocked it into "Herculancum," only it is not quite so desply beried. Every business house is in ruins. He destroyed in this place one milien doliar's worth of property. It was the county sent of St. Chair county, and had a large wholesale trade. You can read "Wholesale I have been looking among the rains of Doulers," "Bank," and such like relies of business now desolate, and their occupants, it is said the few inhabitants left. The owner of a cottage of a body, moved to Texas. Not now few the few inhabitants left. The owner of a cottage in a body, moved to Texas. Not over five families we are quartered was a notorious Solice are left in all the town of Occols. It was cessionist, and was shot and killed four weeks.

South Carolina, or Georgia, this expedition has lies are left in all the town of Occols. It was the headquarters of the secesh army, and they had large stores of army goods here. In one Two days ago, when Gen. Lane possed through store I noticed, as I came along, over ten thougher again, a negro, it is said, went and told sand dollars' worth of stoves, of every pattern. Him where this man had hid a large amount of and description. Farmers drove their serious-lead. He dug for it, and beneath discovered ten Jooking even near the ruins, and loaded in choice thousand dollars in gold, which Lane, of course, fertify his position against any probable land patterns of cooking and parior stoves, to be useful in case Sallie and Nancy (both of whom have the lead part is, for Capt. King brought in a will straightway return to Futress Monroe for all in case Sallie and Nancy (both of whom have the load part is, for Capt. King brought in a take upon themselves some little responsibilities. night.

thanks. We occupy the parior at present, and we take good care to leavelt good as we found it. Flowering strubberry, and pots of flewers in the door-ward, indicate that woman has lately, by the rude hand of war, been driven from a home about which cluster jeys, and hopes past and in the future. There is great complaints in this country, and pots of flewers in the men who are not regularly enlisted and sworn is made up of men who are not regularly enlisted and sworn in made up of men who are not regularly enlisted and sworn in the country and pots of flewers in the country and better families; they do nothing: they have their darkies. Now what makes me excitable is, that we go through this country, and better these negroes say, while their light and dispersed. Nor can there be, in any intelligent mind, the shadow of a doubt flat, when it is not the role of the colors. ic stories of women—how Lane has taken every-thing they had—I have pitied them from my heart, and could say no Buckeye could do as he does. The next Union man I met who knew More Grumbling. the man Lane had so despoiled, would say— "Lane served him right." Yesterday I stopped at a farm house where the postoffice was kept; the poor woman, who was sick, informed me that Lane took her clothing, and shoes from her children's feet. I resolved that Lane was a man a mile or two off, who told me Lane did so because Johnson, the proprietor of said house,

defined under and strip contention. Gen Starmanded or they will perish. He takes then have never been countermanded or amended horses, cattle, and does not run the niggers of of camp as our command invariably does. Gen. Sturgis says to every negro, "we do not want you." General Lane, "go or come when you pleaser" and to the master, "find him if you cam—be is not troubling me or my command." It is right and proper that this fact should be known. What motives of policy may have accounter revolution. We know that the majority of the substantial people of the cotton States, to the extent of a decisive counter-revolution. We know that the majority of the substantial people of the cotton States were dragged headlong into this salcidal rebellion. We are assured that they are anxiously awniting the bour of their deliverance, and we believe that they have had enough of Yancey's the cotton States were dragged headlong into this salcidal rebellion. We are assured that they are anxiously awniting the bour of their deliverance, and we believe that they have had enough of Yancey's Such are the widely divinet policies of the generals going the same road.
